Bennie

Bonjour;

i am well ;I hope you are;The registration of Luilu clinic on the way and progressing.
Have you eard that [REDACTED] is back since one week; apparently some one put
fire on his house and for them it is CH at bthe head me who are suspect number
one;They have declare it to the procuror and the intelligence agency;All this in my
absence;

Mr alex bazano phoned me and said he want my head;Not problem that is the rist of
the directorship;I have understood that they had completely a plan of take over from
us at KCC.they have realise that I am the obstacle.

They want me to stopp the investigations on [REDACTED];They know and have realise that I
will discover that the guy is not a doctor.

I have got Andre Bester registered even dave Barnes in DRC.I will need [REDACTED] to
come meet me in Kinshasa of one or two days for the engagment ceremony.I need to
assist because of that french problem.

Alex must complete all the documents I have asked him.I donùt know what I will
do:He has not the tropical medecine diploma needed and has a problem of french
and has not the ukrainian registration?

I will see and true and come back to you;

egards

Peniel
